The City may consider relevant experience of a Candidate's Principal Staff (owners, partners, principal officers, senior project managers) responsible for making significant administrative and business decisions on behalf of the Candidate's firm. The City will credit any relevant experience of such Principal Staff toward the qualification requirement only if:

- the Candidate demonstrates, to the satisfaction of the City, that the individual's prior experience with another firm/entity is predictive of the Candidate's performance under this project category based on the individual's present management/supervisory role with the Candidate's firm and the individual's anticipated involvement in the management/supervision of the work under this project category; and
- the individual has been employed by or associated with (i.e., as an owner, partner or officer) the Candidate's firm for a period of at least 2 years prior to the date listed on the Candidate firm's pre-qualification application.

For City Use

Water Storage Tanks Scoring

For pre-qualification for this project category, Candidates will be scored based upon the number of similar projects completed, and the degree of similarity between past projects and planned future projects. The scoring for similar projects and experience is set forth below

1. Has Candidate or Candidate's Principal Staff constructed at least three separate AWWA D110 Type 1 pre-stressed concrete tanks for potable or reclaimed water storage during the past ten years? (20 points)

5 projects = 20 points
4 projects = 15 points
3 min. projects = 10 points

2. Does Candidate or Candidate's Principal Staff have ten years' experience in placement of structural concrete? (20 points)

5 projects = 20 points
4 projects = 15 points
3 projects = 10 points
2 projects = 5 points

3. Does Candidate or Candidate's Principal Staff have ten years' experience working in urban settings? (20 points)

5 projects = 20 points
4 projects = 15 points
