A. Questions and Answers:

1. Question:

“”Section VII. Form of Agreement. Item no. 3.1.2 Term.

“The term of this Agreement shall be from July 1, 2015 to June 30, 2018
 (“Term”)...”

Should the start date and end years be adjusted to fit the current calendar year?”

Answer:

The Sample Model Agreement that is part of the RFP is for informational purposes only and will not be executed. The dates will be adjusted for the Agreement that is executed for this project.

2. Question:

“During the last valve assessment contract that Wachs Water Services had with the city, Prevailing Wages did not apply. Will they apply for this particular contract? And if so, will it apply to all of the job, or just part of the job? Also, can you provide the particular job category/skill set if they do apply?”

Answer:

Please refer to the Department of Industrial Relations (DIR) for questions regarding prevailing wage. Their website is located at <http://www.dir.ca.gov/public-works/publicworks.html>.
