B. Examination of Proposal Documents

1. By submitting a proposal, consultants represent that they have thoroughly examined and become familiar with the work required under this RFP and that they are capable of performing quality work to achieve the City's objectives.
2. The City reserves the right to remove from its mailing list for future RFPs, for an undetermined period of time, the name of any consultant for failure to accept a contract, failure to respond to three (3) consecutive RFPs and/or unsatisfactory performance. Please note that submitting a "No Offer" letter is considered a response.

C. Addenda

Substantive City changes to the requirements will be made by written addendum to this RFP. Any written addenda issued pertaining to this RFP shall be incorporated into the terms and conditions of any resulting Agreement. The City shall not be bound to any modifications to or deviations from the requirements set forth in this RFP as the result of oral instruction.

D. Clarifications

1. Examination of Documents

Should a consultant require clarifications to this RFP, the consultant shall notify the City in writing in accordance with Section D.2 below. Should it be found that the point in question is not clearly and fully set forth in the RFP, the City may issue a written addendum clarifying the matter.

2. Submitting Requests

- a. With the exception of oral questions asked at any pre-proposal conference call, all consultant questions, clarifications or comments shall

be submitted in writing and must be received by the City no later than **5:00 p.m. on February 2, 2017**, and be emailed to cad-rfp@ci.corona.ca.us with the Subject matter shown as, “**RFI’s to RFP 17-032CG.**”

Any and all changes to the Tentative Schedule will be made by way of addendum. If an Addendum is issued less than 72 hours before the Proposal Due Date and Time, the Proposal Due date will be extended.

E. Submission of Proposals

1. Date and Time

All proposals are to be submitted electronically through the website indicated below, no later than **5:00 p.m., April 6, 2017**. Proposals received after that date and time will be rejected by the City as non-responsive.

2. Electronic Submittal

Proposals shall be submitted via the designated FTP site. **Access and submittal instructions will only be granted to Consultants that have attended the Mandatory Pre-Proposal Conference Call.**

It is the sole responsibility of Consultants to ensure that their proposals are received at the **time and place** indicated in the RFP. **Late or misdirected proposals shall be rejected and unopened without exception.**

Proposals shall not be sent via e-mail, fax, or regular mail.

3. Acceptance of Proposals

- a. The City reserves the right to accept or reject any and all proposals, or any item or part thereof, or to waive any informalities or irregularities in proposals.
- b. The City reserves the right to withdraw this RFP at any time without prior notice and the City makes no representations that any contract will be awarded to any consultant responding to this RFP.

- c. The City reserves the right to postpone proposal opening for its own convenience.

F. Pre-Contractual Expenses

Pre-contractual expenses are defined as expenses incurred by the consultant in:

1. preparing its proposal in response to this RFP;
2. submitting the proposal to City;
3. negotiating with City any matter related to the proposal; or
4. any other expenses incurred by the consultant prior to date of award, if any, of the Agreement.

The City shall not, in any event, be liable for any pre-contractual expenses incurred by consultant in the preparation of its proposal. Consultant shall not include any such expenses as part of its proposal.

G. Contract Award

Issuance of this RFP and receipt of proposals does not commit the City to award an Agreement. The City reserves the right to postpone proposal opening for its own convenience, to accept or reject any or all proposals received in response to this RFP, to negotiate with other than the selected consultant(s) should negotiations with the selected consultant(s) be terminated, to negotiate with more than one consultant simultaneously, or to cancel all or part of this RFP.

H. Acceptance of Order

The successful consultant(s) will be required to accept a Purchase Order and execute a written Agreement (see Section VII, Form of Agreement) in accordance with and including as a part thereof the published notice of Request for Proposals and this Request for Proposals, including all requirements, conditions and specifications contained herein, with no exceptions other than those specifically listed in the written purchase order and/or Agreement.

I. City of Corona Business License

The successful consultant(s) and any sub-consultants are required to obtain a City of Corona Business License prior to award of Contract, and to maintain the license for the entire term of the Agreement. The Business License is not a prerequisite for submission of a proposal.

J. Prevailing Wage

Refer to Section VII, Form of Agreement, Section 3.3.5 for Prevailing Wage requirements.

K. Performance Bond Requirements

Within the time specified in the Contract Documents, the Consultant to whom a Contract is awarded shall deliver to the City two identical counterparts of the Performance Bond in the form supplied by the City and included in the Contract Documents. The surety supplying the bond must be an admitted surety insurer, as defined in Code of Civil Procedure Section 995.120, authorized to do business as such in the State of California and satisfactory to the City. The Performance Bond shall be for one hundred percent (100%) of the Total Proposal Price.

L. Public Records

Responses (proposals) to this Request for Proposal (RFP) and the documents constituting any contract entered into thereafter become the exclusive property of the City of Corona and shall be subject to the California Public Records Act (Government Code Section 6250 et seq.). The City of Corona's use and disclosure of its records are governed by this Act.

Those elements in each proposal which proposer considers to be trade secrets, as that term is defined in Civil Code Section 3426.1(d), or otherwise exempt by law from disclosure, should be prominently marked as "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY" by proposer. The City of Corona will use its best efforts to inform proposer of any request for disclosure of any such document. The City of Corona, shall not in any way, be liable or responsible for the disclosure of any such records including, without limitation; those so marked if disclosure is deemed to be required by law or by an order of the Court.

In the event of litigation concerning disclosure of information the proposer considers exempt from disclosure, the City of Corona will act as a stakeholder only, holding the information until otherwise ordered by a court or other legal process. If the City of Corona is required to defend an action arising out of a Public Records Act request for any of the contents of a proposer's proposal marked "Confidential", "Proprietary", or "Trade Secret", proposer shall defend and indemnify the City of Corona from all liability, damages, costs, and expense, including attorneys' fees, in any action or proceeding arising under the Public Records Act.

To ensure confidentiality, proposers are instructed to enclose all "Confidential," "Proprietary," or "Trade Secret" data in separate sealed envelopes, which are then included with the proposal documents. Because the proposal documents are available for review by any person after award of a contract resulting from an RFP, the City of Corona shall not in any way be held responsible for disclosure of any "Confidential," "Proprietary," or "Trade Secret" documents that are not contained in envelopes and prominently marked.

SECTION III.

EVALUATION AND AWARD

A. Evaluation

The City shall evaluate each responsive Proposal to determine which Proposal offers the best value to the City. The firm offering the lowest overall price will not necessarily be awarded a contract.

The City will evaluate proposals based on a three-phase process. In each phase, Consultants will be evaluated and will only move onto the next phase upon successful completion of the requirements stated in the preceding phase.

B. Presentation

Interviews and/or system presentations will be required from Consultants that complete the first two phases of the evaluation. Interviews and/or system presentations will be made to the City Evaluation Committee, or its designated representatives, in order to clarify the Proposals and to answer any questions. The interviews and/or system presentations will be scored as part of the selection process. Prior to any system interview, the City will have completed all reference checks. Additionally, the Consultant's key personnel may be required to be interviewed by the City's Evaluation Committee, or its designated representatives. Interviews may be by telephone and/or in person. Multiple interviews may be required. If the City determines that such system presentation and interview of the key personnel is needed, the City will schedule a time and place. Consultants are required to make the system presentation and interview of the key personnel on the dates as specified on the Cover Page of this RFP. Consultants should be prepared to discuss and substantiate any of the areas of the Proposal submitted, as well as its qualifications to furnish the specified products and services. Consultants shall not rely on the possibility of the City requesting an interview and shall submit a complete and comprehensive written response to this solicitation. Any costs incurred for the system presentation and interview of the key personnel are the responsibility of the Consultant.

C. Inspection

The City reserves the right to inspect the Consultant's equipment and facilities to determine if the Consultant is capable of fulfilling this agreement. Inspection will include, but is not limited to, survey of Consultant's physical assets and financial capability. Consultant, by signing the Proposal, agrees to the City's right of access to physical assets and financial records for the sole purpose of determining Consultant's capability to perform the contract. Should the City conduct this inspection, the City reserves the right to disqualify a Consultant who does not, in the City's sole judgment, exhibit the sufficient physical and financial resources to perform this agreement.

D. Evaluation Panel

Based on the evaluation criteria, outlined below, all technical Proposals shall be evaluated and scored by the City Evaluation Committee designated by the City. Written or oral discussions may be requested from the Consultants to resolve uncertainties relating to their Proposals and to arrive at a complete agreement on all requirements. The City Evaluation Committee, upon completion of evaluating the Proposals and any interviews or oral presentations, will recommend to the City Purchasing Agent that award be made to the firm with the highest scoring Consultant which has successfully completed all three-phases of the evaluation process.

The City reserves the right to investigate the qualifications of all Consultants under consideration and to confirm any part of the information furnished by a Consultant, or to require other evidence of managerial, financial or technical capabilities which are considered necessary for the successful performance of the work.

E. Evaluation Criteria

The following elements represent the evaluation criteria/point value that will be considered during the evaluation process. All responsive Proposals will be evaluated and weighted in accordance with the evaluation factors specified below.

Depending on the dollar amounts of the proposals received, City staff will either select consultant(s) best meeting the above-specified criteria or submit a recommendation to City Council for consideration and selection, the proposal(s) evaluated by staff to be the most qualified.

If the City elects to proceed, final selection of consultants for interview and notification for interviews is expected to occur anytime between May 8, 2017 and May 26, 2017. The City anticipates making final selections and awards on or about August 16, 2017.

PERFORMANCE BOND

KNOW ALL PERSONS BY THESE PRESENTS:

THAT WHEREAS, the City of Corona (hereinafter referred to as "City") has awarded to _____, (hereinafter referred to as the "Consultant") an agreement for _____ (hereinafter referred to as the "Project").

WHEREAS, the work to be performed by the Consultant is more particularly set forth in the Contract Documents for the Project dated _____, (hereinafter referred to as "Contract Documents"), the terms and conditions of which are expressly incorporated herein by reference; and

WHEREAS, the Consultant is required by said Contract Documents to perform the terms thereof and to furnish a bond for the faithful performance of said Contract Documents.

NOW, THEREFORE, we, _____, the undersigned Consultant and _____ as Surety, a corporation organized and duly authorized to transact business under the laws of the State of California, are held and firmly bound unto the City in the sum of _____ DOLLARS and _____ CENTS (\$ _____), said sum being not less than one hundred percent (100%) of the total amount of the Contract, for which amount well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that, if the Consultant, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and agreements in the Contract Documents and any alteration thereof made as therein provided, on its part, to be kept and performed at the time and in the manner therein specified, and in all respects according to their intent and meaning; and shall faithfully fulfill all obligations including, if provided as part of the Contract Documents, the one-year guarantee of all materials and workmanship; and shall indemnify and save harmless the City, its officers and agents, as stipulated in said Contract Documents, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As a condition precedent to the satisfactory completion of the Contract Documents, unless otherwise provided for in the Contract Documents, the guarantee obligation shall hold good for a period of one (1) year after the acceptance of the work by City, during which time if Consultant shall fail to make full, complete, and satisfactory repair and replacements and totally protect the City from loss or damage resulting from or caused by defective materials or faulty workmanship, the obligations of Surety hereunder shall continue so long as any obligation of Consultant remains. Nothing herein shall limit the City's rights or the Consultant or Surety's obligations under the Contract Documents, law or equity, including, but not limited to, California Code of Civil Procedure section 337.15.

As a part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees including reasonable attorney's fees, incurred by City in enforcing such obligation.

Whenever Consultant shall be, and is declared by the City to be, in default under the Contract Documents, the Surety shall remedy the default pursuant to the Contract Documents, or shall promptly, at the City's option:

- (1) Take over and complete the Project in accordance with all terms and conditions in the Contract Documents; or
- (2) Obtain a proposal or proposals for completing the Project in accordance with all terms and conditions in the Contract Documents and upon determination by Surety of the lowest responsive and responsible proposal, arrange for a contract between such Consultant, the Surety and the City, and make available as work progresses sufficient funds to pay the cost of completion of the Project, less the balance of the contract price, including other costs and damages for which Surety may be liable. The term “balance of the contract price” as used in this paragraph shall mean the total amount payable to Consultant by the City under the Contract Documents and any modification thereto, less any amount previously paid by the City to the Consultant and any other set offs pursuant to the Contract Documents.
- (3) Permit the City to complete the Project in any manner consistent with California law and make available as work progresses sufficient funds to pay the cost of completion of the Project, less the balance of the contract price, including other costs and damages for which Surety may be liable. The term “balance of the contract price” as used in this paragraph shall mean the total amount payable to Consultant by the City under the Contract Documents and any modification thereto, less any amount previously paid by the City to the Consultant and any other set offs pursuant to the Contract Documents.

Surety expressly agrees that the City may reject any Consultant or sub consultant which may be proposed by Surety in fulfillment of its obligations in the event of default by the Consultant.

Surety shall not utilize Consultant in completing the Project nor shall Surety accept a proposal from Consultant for completion of the Project if the City, when declaring the Consultant in default, notifies Surety of the City’s objection to Consultant’s further participation in the completion of the Project.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Contract Documents or to the Project to be performed thereunder shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract Documents or to the Project and the provisions of Section 2819 and 2845 of the California Civil Code. Without limiting the foregoing, such changes, extensions of time and alterations or additions shall include, but are not limited to, changes or alterations to the Contract Documents (including, without limitation, an increase in the total dollar amount of the Contract Documents), extensions of time, or modifications of the time, terms, or conditions of payment to the Consultant.

Although the SCAQMD and CARB limits and requirements are more broad, Consultant shall specifically be aware of their application to "portable equipment", which definition is considered by SCAQMD and CARB to include any item of equipment with a fuel-powered engine. Consultant shall indemnify City against any fines or penalties imposed by SCAQMD, CARB, or any other governmental or regulatory agency for violations of applicable laws, rules and/or regulations by Consultant, its subconsultants, or others for whom Consultant is responsible under its indemnity obligations provided for in this Agreement.

3.2.10.9 Verification of Coverage. Consultant shall furnish City with original certificates of insurance, as well as amendatory endorsements or copies of the applicable policy language effecting coverage required by this Agreement. All documents must be received and approved by the City before any Services commence; provided, however, that failure to obtain the required documents prior to the commencement of Services shall not waive Consultant’s obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.

3.2.10.10 Reporting of Claims. Consultant shall report to the City, in addition to Consultant’s insurer, any and all insurance claims submitted by Consultant in connection with the Services under this Agreement.

3.2.10.11 Sub-Consultants. All sub-consultants shall comply with each and every insurance provision of this Section 3.2.10. Consultant shall therefore not allow any sub-consultant to commence work on any subcontract to perform any part of the Services until it has provided evidence satisfactory to the City that the sub-consultant has secured all insurance required under this Agreement.

3.2.10.12 Special Risk or Circumstances. The City reserves the right, in its sole and absolute discretion, to modify the requirements of this Section 3.2.10, including limits, based on any of the following: (A) the nature of the risk of the Services; (B) the prior experience of the insured; (C) the rating or other quality or characteristic of the insurer; (D) any special or unique coverage issues; and (E) any other special or unique circumstances.

If required by law or otherwise specifically requested by City in Exhibit "C" attached hereto and incorporated herein by reference, Consultant shall execute and provide to City concurrently with this Agreement a Performance Bond in the amount of the Total Compensation indicated in this Agreement, and in a form provided or approved by the City. If such bond is required, no payment will be made to Consultant until it has been received and approved by the City.

3.2.12.3 Bond Provisions. Should, in City's sole opinion, any bond become insufficient or any surety be found to be unsatisfactory, Consultant shall renew or replace the affected bond within 10 days of receiving notice from City. In the event the surety or Consultant intends to reduce or cancel any required bond, at least thirty (30) days prior written notice shall be given to the City, and Consultant shall post acceptable replacement bonds at least ten (10) days prior to expiration of the original bonds. No further payments shall be deemed due or will be made under this Agreement until any replacement bonds required by this section are accepted by the City. To the extent, if any, that the Total Compensation is increased in accordance with the Agreement, the Consultant shall, upon request of the City, cause the amount of the bonds to be increased accordingly and shall promptly deliver satisfactory evidence of such increase to the City. To the extent available, the bonds shall further provide that no change or alteration of the Agreement (including, without limitation, an increase in the Total Compensation, as referred to above), extensions of time, or modifications of the time, terms, or conditions of payment to the Consultant, will release the surety. If the Consultant fails to furnish any required bond, the City may terminate this Agreement for cause.

3.2.12.4 Surety Qualifications. The bonds must be provided by a surety which is satisfactory to the City and which meets either of the following criteria: (1) a surety with a current A.M. Best's rating no less than A:VII and licensed as an admitted surety insurer in California; or (2) a surety with a current A.M. Best's rating no less than A:X and authorized to issue the required bonds in California. If a surety does not meet these requirements, the insurer will be considered qualified if it is in conformance with Section 995.660 of the California Code of Civil Procedure, and proof of such is provided to the City.

As used herein, “Extra Work” means any work which is determined by City to be necessary for the proper completion of the Project, but which the Parties did not reasonably anticipate would be necessary at the execution of this Agreement. Consultant shall not perform, nor be compensated for, Extra Work without written authorization from City’s Representative.

Consultant shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at the Consultant’s principal place of business and at the Project site. It is most efficient for the Consultant to obtain a copy of the prevailing wages in effect at the commencement of this Agreement from the website of the Division of Labor Statistics and Research of the DIR located at www.dir.ca.gov/dlsr/. In the alternative, Consultant may obtain a copy of the prevailing wages from the City’s *****INSERT TITLE*****. Consultant shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and

harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.

3.4 Termination of Agreement.

3.5.1 Documents & Data; Licensing of Intellectual Property. This Agreement creates a non-exclusive and perpetual license for City to copy, use, modify, reuse, or sublicense any and all copyrights, designs, and other intellectual property embodied in plans, specifications, studies, drawings, estimates, and other documents or works of authorship fixed in any tangible medium of expression, including but not limited to, physical drawings or data magnetically, electronically or otherwise recorded or stored, which are prepared or caused to be prepared by Consultant under this Agreement (“Documents & Data”). All Documents & Data shall be and remain the property of City, and shall not be used in whole or in substantial part by Consultant on other projects without the City’s express written permission. Within thirty (30) days following the completion, suspension, abandonment or termination of this Agreement, Consultant shall provide to City reproducible copies of all Documents & Data, in a form and amount required by City. City reserves the right to select the method of document reproduction and to establish where the reproduction will be accomplished. In the event of a dispute regarding the amount of compensation to which the Consultant is entitled under the termination provisions of this Agreement, Consultant shall provide all Documents & Data to City upon payment of the undisputed amount. Consultant shall have no right to retain or fail to provide to City any such documents pending resolution of the dispute. In addition, Consultant shall retain copies of all Documents & Data on file for a minimum of five (5) years following completion of the Project, and shall make copies available to City upon the payment of actual reasonable duplication costs. In addition, before destroying the Documents & Data following this retention period, Consultant shall make a reasonable effort to notify City and provide City with the opportunity to obtain the documents.

3.5.2 Subconsultants. Consultant shall require all subconsultants to agree in writing that City is granted a non-exclusive and perpetual license for any Documents & Data the subconsultant prepares under this Agreement. Consultant makes no such representation and warranty in regard to Documents & Data which were prepared by design professionals other than Consultant or its subconsultants, or those provided to Consultant by the City.

3.5.3 Right to Use. City shall not be limited in any way in its use or reuse of the Documents and Data or any part of them at any time for purposes of this Project or another project, provided that any such use not within the purposes intended by this Agreement or on a project other than this Project without employing the services of Consultant shall be at City’s sole risk. If City uses or reuses the Documents & Data on any project other than this Project, it shall remove the Consultant’s seal from the Documents & Data and indemnify and hold harmless
