

ATTACHMENT "E" ACRONYMS

AD	Microsoft Active Directory	LEITSC	Law Enforcement Information Technology Standards Council
AFR	Automated Field Reporting	LinX	Law Enforcement Information Exchange
ALI	Automatic Location Identification	LPR	License Plate Reader
AMR	American Medical Response	MDC	Mobile Data Computer CAD Software Client
ANI	Automatic Name Identification	MDM	Mobile Device Management
ANSI	American National Standards Institute	MPDS	Medical Priority Dispatching System
APCO	Association of Public-Safety Communications Officials	MSAG	Master Street Address Guide
API	Application Program Interface	NCIC	National Crime Information Center
ASA	Adaptive Security Appliance	NCJA	Noncriminal Justice Agencies
ASD	Accredited Standards Developer	N-DEx	National Data Exchange
ATP	Acceptance Test Plan	NEMSIS	National EMS Information Systems
AVL	Automatic Vehicle Location	NENA	National Emergency Number Association
BOLO	Be on the Lookout	NFIRS	National Fire Incident Reporting System
CAD	Computer Aided Dispatch Software Suite	NFPA	National Fire Protection Association
CFS	Call for Service	NIBRS	National Incident Based Reporting System
CIS	CAL Fire CAD Interface Server	NIC	Network Interface Controller
CJA	Criminal Justice Agencies	NIEM	National Information Exchange Mode
CJI	Criminal Justice Information	NIST	National Institute of Science and Technology
CJIS	Criminal Justice Information Services	NRF	National Response Framework
CLETS	California Law Enforcement Telecommunications System	OS	Operating System
COTS	Commercial off the Shelf	P25	Project 25
D-DEx	Law Enforcement Defense Data Exchange	PMBOK	Project Management Book of Knowledge
DMV	Department of Motor Vehicles	PSAP	Public Safety Answering Point
EFTS	Electronic Fingerprint Transmission Specification	PSN	Public Safety Network
EID	Emergency IDs	RFP	Request for Proposal
EMS	Emergency Medical Services	RMS	Records Management System
EOCP	Equal Opportunity Contracting Program	RSO	Riverside County Sheriff's Office's
ePCR	Electronic Patient Care Reporting	SAN	Storage Area Network
ESInet	Emergency Services IP Network	SATA	Serial AT Attachment
EULA	End User Software License Agreements	SAS	Serial –Attached Storage
FBI	Federal Bureau of Investigation	SIEM	Security Information Event Management
FI	Field Interview	SSD	Solid-State Drive
FWSM	Firewall Services Module	UCADFR	Unified Computer-Aided Dispatch Functional Requirements
GIS	Geographic Information System	UCR	Uniform Crime Reporting
GJXDM	Global Justice Extensible Markup Language Data Model	UICDS	Unified Incident Command and Decision Support
GPS	Global Positioning System	US DOJ	U.S. Department of Justice
HIPAA	Health Insurance Portability and Accountability Act of 1996	VLAN	Virtual Local Area Network
IS	Information Systems	VoIP	Voice over Internet Protocol
LDAP	Lightweight Directory Access Protocol	VPN	Virtual Private Network
LEISP	Law Enforcement Information Sharing Program	WBS	Work Breakdown Structure
