

Celebrating Neighbors

The "Celebrating Neighbors" Awards Program was created to recognize individual residents (18 or over) that demonstrate a commitment to building strong neighborhood relationships. These are individuals that have voluntarily taken on the personal responsibility of bringing neighbors together to improve the quality of life in Corona. There are endless examples of what constitutes a good neighbor. The "Celebrating Neighbors" Awards Program gives us the opportunity to nominate and shine the spotlight on a neighbor's selfless contributions and acts of goodwill.

The Process

The Celebrating Neighbors Selection Committee members are Corona residents and were chosen based on their backgrounds in community involvement and civic affairs. The judging criteria is based on the above description of an "ideal neighbor".
