AGENDA REPORT REQUEST FOR CITY COUNCIL ACTION

DATE: July 20, 2016
TO: Honorable Mayor and City Council Members
FROM: Administrative Services Department / Library and Recreation Services
SUBJECT: **UPDATE OF CITYWIDE SCHEDULE OF FEES AND CHARGES – RESOLUTION TO UPDATE MASTER FEE SCHEDULE FOR REVISIONS IN LIBRARY AND RECREATION FEES AND OTHER LIBRARY AND RECREATION ITEMS**

RECOMMENDED ACTION:

That the City Council:

1. Adopt Resolution No. 2016-084 updating the Citywide Master Fee Recovery Schedule and repealing Resolution No. 2015-082.
2. Authorize an increase of \$10,000 to the General Fund revenue projections for Passport Photo Service Fees for Fiscal Year 2016-17.
3. Authorize an accounting change of an estimated \$243,100 that would transfer the remaining balance from the liability account for the Kid Club Snack Program into the General Fund After School Recreation Program revenues for Fiscal Year 2015-16. The final amount is to be determined based upon the final year-end balance.
4. Authorize an appropriation not to exceed \$24,000 from the General Fund unappropriated fund balance for the purchase of supplies and equipment for the After School Recreation Program, to be offset with the above action, for Fiscal Year 2015-16. The appropriation amount will be determined based upon the year-end totals.
5. Authorize an appropriation of \$49,500 from the General Fund unappropriated fund balance for the purchase of snacks, supplies, and equipment for the After School Recreation Program for Fiscal Year 2016-17.

ANALYSIS:

In July 2015, the City's hired consultants, Revenue Cost Specialists, completed a "Fee Study Update." The fee study is the basis for any recommended changes in the City's Master Fee Schedule for Fiscal Years 2015-16 and 2016-17 and references market-based and non-market-based fees.

Market-based fees are for proprietary services and are assessed at a competitive market rate. Examples of market-based fees include facility rental and program participation fees. Non-market based fees are for regulatory services and are calculated based on the actual cost of doing business, which includes time studies.

Following a thorough review of the report provided by Revenue Cost Specialists, the fee study and Resolution No. 2015-066, to update the Citywide Master Fee Schedule, were presented to City Council at its regular meeting on September 2, 2015. The Master Fee Schedule was also amended on December 16, 2015 by Resolution No. 2015-082, which resulted in adjustments to fees for several departments, including Library and Recreation Services' revision to facility rental rates as a result of the opening of the Circle City Center.

After review during the Fiscal Year 2016-17 budget process, changes are being proposed for Library and Recreation Services' fees to keep pace with market-based fees charged by similar agencies and/or other providers of similar services. These include:

Market-Based Fees

Fee	Current	Change	Justification	Benefit
Library Passport Photos	\$10	Increase to \$12	High demand for service for which we currently charge 33% less than the Post Office.	Potential increase to revenue of up to \$10,000 annually. City rates would be comparable to federal rates.
Set-up, cleaning, and removal of Circle City Center Event Hall flooring for Group 1 Users (non-profits)	New	\$375	Offset cost of 30 hours to set-up, clean, and remove the carpet for school district and similar functions. CNUSD charges when additional staffing is required. This would create parity with their policy.	Partially offsets increased program costs when temporary flooring is requested with use of the Event Hall.
Youth Sports Program (tiered pricing 90, 60, 30 days)	\$80(R)/\$120(NR)	\$60(R)/\$100(NR) \$70(R)/\$110(NR) \$80(R)/\$120(NR)	Pricing incentive to encourage more participation	Increased and regular program participation allows for predictability in planning for quality programming.

Fee	Current	Change	Justification	Benefit
Youth Sports Program (Volunteer coach discount)	New	50% discount for one child's participation fee	Encourage parent volunteer participation.	Incentivizes parental involvement rather than incurring added staff costs.
Vicentia Activity Center	New	\$35/hr Group II \$45/hr Group III \$65/hr Group IV \$100/hr Group V	Establishes rental fees for the Vicentia Activity Center.	Facilitates rental use of Vicentia Activity Center and increases revenue potential.
Kids Club	\$7 daily + \$1/day snack fee	\$40/week	Consolidate Kids Club revenue.	Simplifies activity accounting and revenue collections; consistent with other providers which typically collect weekly or monthly fees.
Kids Club/Adventure Day Camp/Kids Night Out (Late Pick-up fee)	(\$8) "Late pick up fee—per every 15 minutes late."	(\$8) "Late pick up fee—per every 15 minutes or portion thereof."	Encourages on-time pickups comparable to other care providers. Expanded to include Kids Night Out program.	Discourages late pick-ups which can increase program costs due to additional staff time.
Recreation Staff (per hour)	New	\$12.52	Sets fully-burdened staff rate when additional staff is requested for events/activities.	Accommodates organization requests for additional staff without incurring costs to City.
Online Registration Fees:			Transaction fees set by Active.	Active is the primary provider of online recreation enrollment services and online transaction fees are pass-through, which are based upon prevailing rates as established by the marketplace provider.
Online transactions less than \$150	4.50%	Pass-through		
Online transaction total \$150 – \$500	3.50%	Pass-through		
Online Transactions greater than \$500	2.50%	Pass-through		

COMMITTEE ACTION:

The Finance, Legislation and Economic Development Committee at its meeting on July 6, 2016, discussed the proposed fee updates. The Committee had no objections to the changes.

STRATEGIC PLAN:

Not applicable.

FISCAL IMPACT:

The fiscal impact for the above noted market-based fees would be effective immediately upon approval and authorization by the City Council. It is recommended, however, that the City provide a courtesy waiting period and increase fees effective August 1, 2016.

Overall, the recommended fee changes will result in a revenue increase of approximately \$10,000 annually to the General Fund, primarily due to the increase in the Library Passport Photo Service Fee. This increase in potential revenue may vary with economic conditions which may influence international travel patterns and patron behavior.

It is recommended that the balance of the liability account for the Kids Club Snack Program, approximately \$243,100 be transferred into the General Fund revenue account to eliminate the liability accounting for June 30, 2016. This action will streamline the accounting of the fees and more accurately report the full cost and revenues of the After School Recreation Program in the respective General Fund accounts.

Additionally, appropriations for the After School Recreation Program are requested from the General Fund unappropriated fund balance as follows: (1) Up to \$24,000 for Fiscal Year 2015-16 for supplies and equipment and (2) \$49,500 for Fiscal Year 2016-17 for snacks, supplies, and equipment. The expenses will be offset with the recommended action above to eliminate the liability accounting. The final appropriation amount for Fiscal Year 2015-16 will be determined based upon the year-end totals.

ENVIRONMENTAL ANALYSIS:

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This Resolution updates the fees for services provided by the City, and there is no possibility that this action will have a significant effect on the environment.

RESOLUTION NO. 2016 -086

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, UPDATING THE CITYWIDE MASTER FEE RECOVERY SCHEDULE AND REPEALING RESOLUTION NO. 2015-082

WHEREAS, CMC Section 3.02.040 provides that the City Council shall adopt the fee and service schedule and percentage of cost recovery by resolution; and

WHEREAS, Resolution No. 2015-082 previously established the Master Fee Recovery Schedule for all fees and charges provided for in Chapter 3.02 of the Corona Municipal Code; and

WHEREAS, the City Council desires to update the Master Fee Recovery Schedule and repeal Resolution No. 2015-082; and

WHEREAS, the updated Master Fee Recovery Schedule adopted by this Resolution includes California Proposition 26, Article XII C Section (e) exemption categories; and

WHEREAS, a properly noticed public hearing was held on July 20, 2016, to receive public comments on the proposed schedule of fees and charges.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA AS FOLLOWS:

1. Adoption of Fees and Charges and Percentage of Cost Recovery. The Master Fee Recovery Schedule, including the percentage of cost recovery for each fee and service charge, set forth in Exhibit "A", attached hereto and incorporated herein by reference is hereby approved.

2. Repeal of Prior Resolutions. Resolution No. 2015-082 is hereby repealed and replaced by this Resolution.

3. Supporting Evidence & Study. The adoption of this Resolution is based on all oral and written evidence presented to the City, including the cost detail worksheets dated July 2015 prepared by Revenue Costs Specialists, with the assistance and final review by all affected departments, as well as all oral and written evidence presented to the City for this Resolution. The cost detail worksheets, which document that all non-market based fees and charges do not exceed the cost to the City of providing the noted services, is hereby accepted and approved by the City Council.

4. New Fees and Service Charges prior to adoption of next Fee Study.

The Administrative Services Director is hereby authorized to establish and implement, with City Manager approval, new market based fees and service charges for new programs or services that are not set forth in the Master Fee Recovery Schedule adopted by this Resolution. City staff will conduct a survey of local cities offering similar programs or services to ensure new fees are comparable to other agencies. Any fees or service charges adopted pursuant to the authority granted in this Section will be included in the next biennial fee review. Any non-market or development related fees will continue to require City Council review and approval prior to adoption and implementation.

5. CEQA Findings.

The City Council hereby finds that the adoption of this Resolution is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This Resolution updates the fees for services provided by the City, and there is no possibility that this action will have a significant effect on the environment. Therefore, no environmental analysis is required.

6. Effective Date of Resolution.

The Mayor shall sign this Resolution and the City Clerk shall attest thereto, and thereafter this Resolution shall take effect as follows: Market based fees for fiscal year 2016-17 shall be effective on July 1, 2017; Non-market based fees for fiscal year 2016-17 shall be effective on August 15, 2016, which is at least sixty (60) days after approval.
