ADMINISTRATIVE CITATIONS

City of Corona Municipal Code Section 1.08.130 provides for the issuance of Administrative Citations for Municipal Code Violations. There are three levels of citations that can be issued progressively for a violation. As indicated on the citation, there are different levels of fines pending on the type of violation. The fines are per violation and are cumulative.

An administrative citation will be issued when a case has reached the point where it is clear that voluntary abatement is not going to be obtained.
